Re: *Valerie Shore v. PaineWebber Long-Term Disability Plan*
No. 04 Civ. 4152 (RJS)

Dear Judge Sullivan:

We are the attorneys for the plaintiff in the referenced action. Your Honor had directed the parties to appear on June 13, 2008 for a hearing concerning (1) the appropriate amount of the set-off to plaintiff's long term disability benefits due to her receipt of a lump sum settlement from Workers' Compensation and (2) argument on plaintiff's motion for attorney's fees and costs. Your Honor also directed that the parties provide you with a status letter by June 6, 2008.

We are pleased to inform Your Honor that the parties have reached agreement on both these issues and are in the process of negotiating settlement documents. However, counsel for defendants will not be available tomorrow, my client will not be available next week and I will be out of town the week of June 16th. The parties believe they are sufficiently in agreement that they will be able to file a stipulation of dismissal by the end of June and therefore request that Your Honor defer the submission of the status letter and adjourn the hearing *sine die*.

We contacted chambers and received permission to submit this letter by facsimile.

Thank you for Your Honor's attention to and consideration of this matter.

Request granted. The parties shall file a status letter by July 7, 2008. The parties shall appear for a status conference on July 9, 2008 at 4:30 p.m.
SO ORDERED
Date: 6/4/08

Respectfully submitted,
